----0---

ORDER:

In the reference 4th read above, the Special Officer and Engineer-in-Chief, RWS & S Department, Hyderabad has stated that the situation prevailing in RWS&S Department is as follows:

- There are limited number of Agencies since several years and the size of the contractors are diminishing day by day.
- On the other hand the quantum of work is growing multifold
- Further, the financial capabilities of the existing agencies are very limited.

2. The Special Officer and Engineer-in-Chief, RWS & S Department, Hyderabad has further stated due to the above major reasons besides other reasons such as delay in clearance from Railways , R&B, Forest, Irrigation Departments etc., the projects are getting delayed beyond the expected completion dates. Now the present day need to get favorable tenders in order to save the budget and time in extending much needed service delivery at rural areas. Further, he has stated that due to present tender conditions, new agencies are unable to participate in RWS&S works. To attract more number of agencies to work in RWS&S department Joint ventures may be allowed. The work load is also going to be increased substantially during 2012-13 and there is need of grounding about Rs.2000.00 crore worth of projects per annum from next ten years of saturating coverage in rural areas. The joint venture will help the department to attract more number of agencies, which leads to healthy competition and also to save the budget and time in extending much needed service delivery in rural areas. Hence, he has requested the Government to issue modified guide lines to allow joint venture for two physical items in respect of technical qualification from 1st call onwards for giving facility to individual agencies and to have healthy competition among the participants to have competitive bidding.

3. Government after careful examination of the matter hereby order that to allow the joint venture for two physical items in respect of technical qualification from 1st call onwards for giving facility to individual agencies and to have healthy competition among the participants to have competitive bidding. All other conditions in G.O. Ms. No. 217 PR &RD(RWS-I) Dept., Dt. 09-06-2008 and its subsequent modifications remain the same.

4. The Engineer-in-Chief, RWS&S, Hyderabad shall take necessary action accordingly.

(p.t.o.)
